

Inspiring Explorers

Karim Hammoud & Marie Faidi
Photographers & Content Creators

WORK WITH US

01

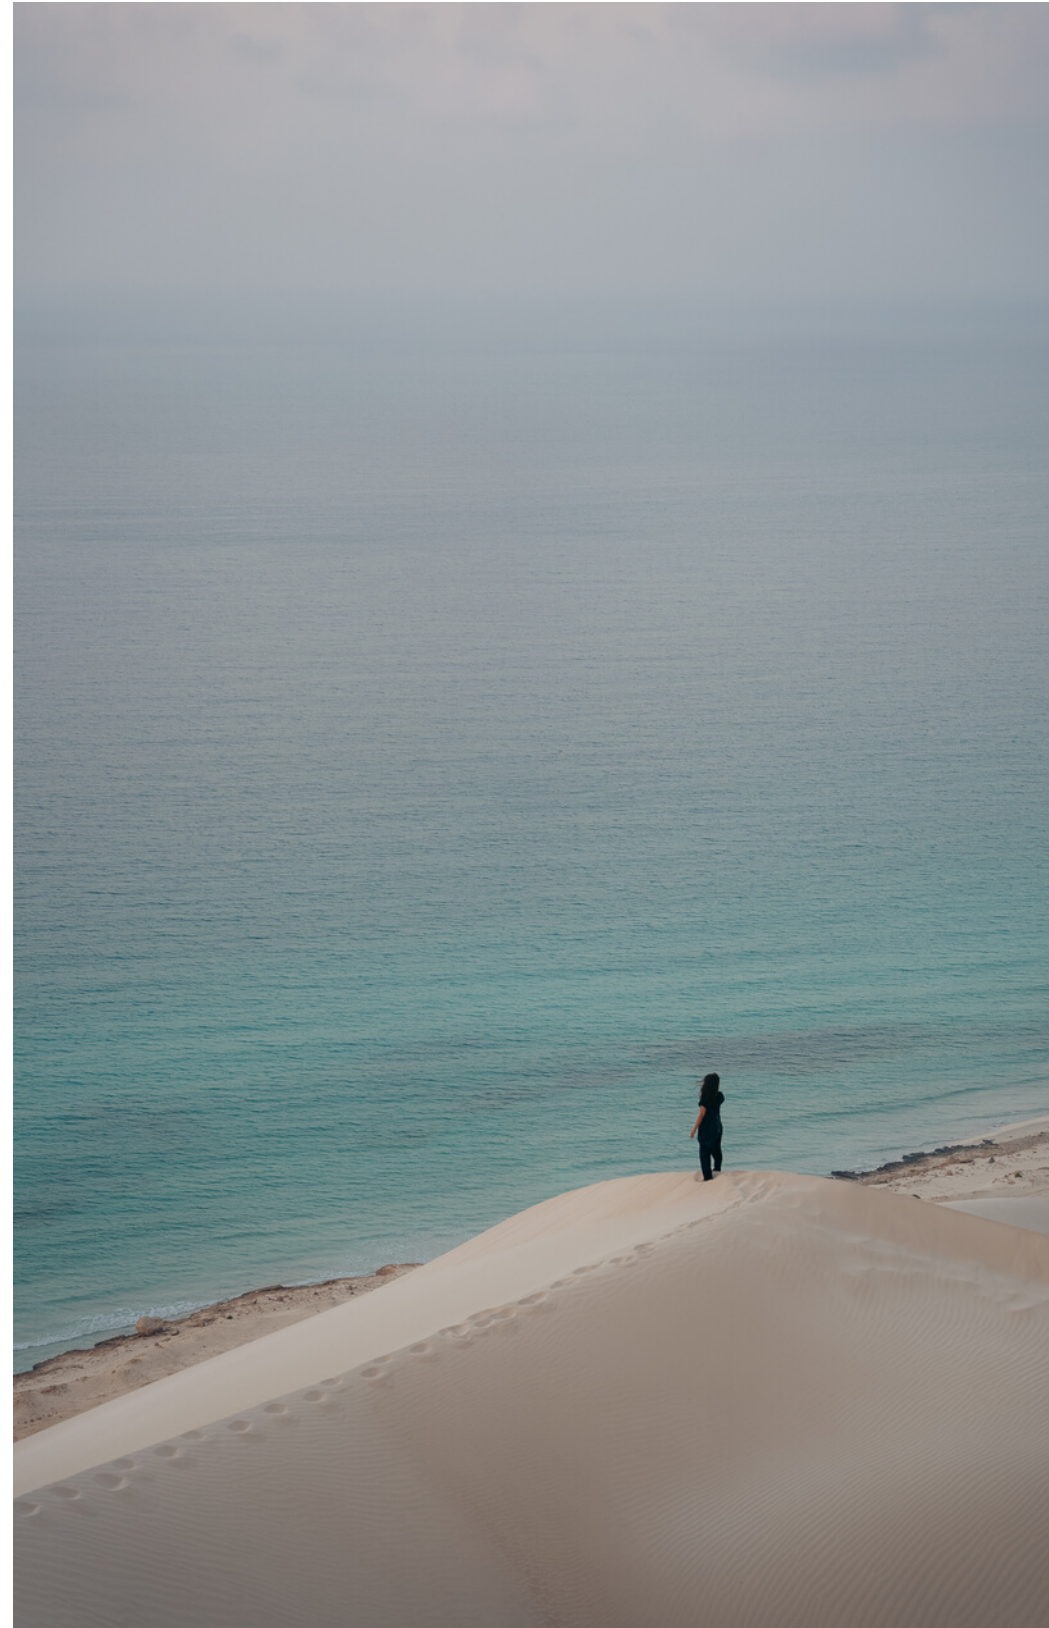

Bio

We are two young photographers from Switzerland. We have been working as travel photographers and content creators for the past three years. Our playground is the outdoors, bonus points if there are mountains, but we love discovering the world, trying new activities and capturing those moments through our lenses.

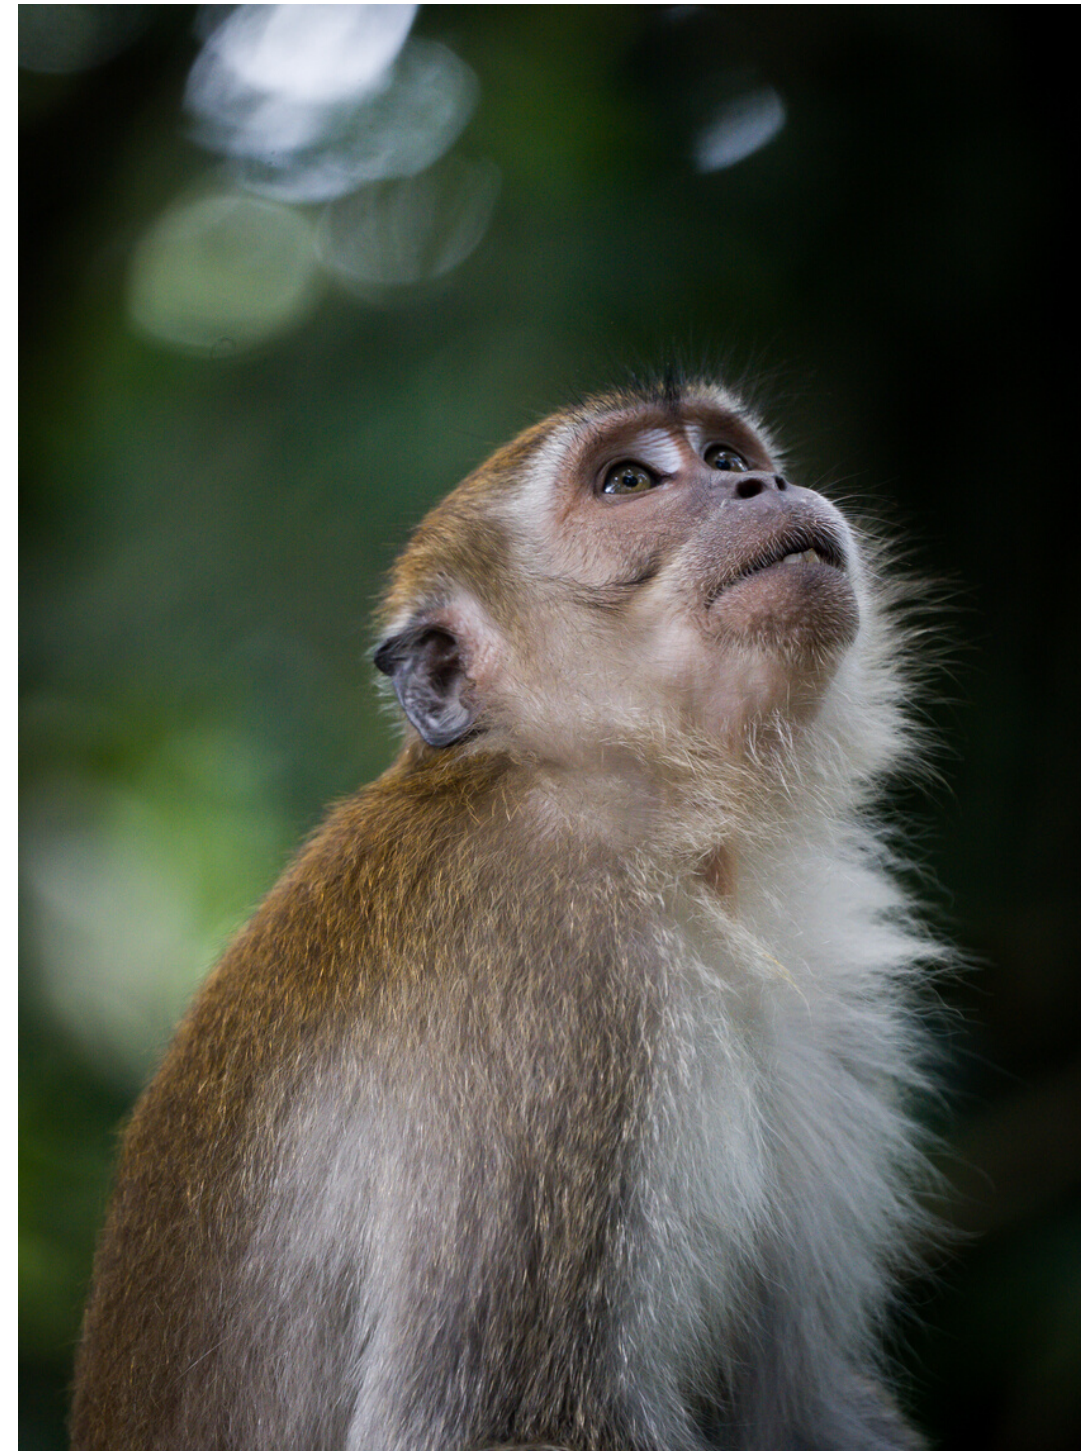

Nature

Animals around the World

Some of our favorite shots

They trusted us

We work with various brands to create beautiful images for their projects

03

RAPTURE SURFCAMPS

2022
